BIODYNAMICS PT 1

Seeing the World Anew: Foundations of
Biodynamics with Jared Minori

Saturday, August 9th | 10:00am – 12:00pm
True Nature Peace Garden

Join us for a two part series on Biodynamic Agriculture – Aug. 9th & Sept. 6th. These classes can be taken separately, or together for a deeper dive! This is a beautiful practice in land stewardship, reciprocity, and how to more deeply connect to the natural world around you.

This first class introduces the foundations of biodynamic agriculture and how to apply its wisdom to your garden or farm! Explore how cosmic rhythms, elemental forces, and plant intelligence shapes life on Earth. Dive in to experiential learning with hands-on observation practices to sharpen your awareness of the living world.
